

## **BIO-CLEAN**

Friendly Enzyme Waste Eliminator.

BIO-CLEAN is... a blend of bacteria and enzymes. The bacteria are natural, not genetically-engineered. The enzyme concentration is the most powerful on the market.

## **SAFE**

Bio-Clean is non-poisonous. It creates no heat, no fumes, no boiling. It does not attack live tissue nor inorganic materials, only organic wastes like grease, hair, food particles, paper, cotton & sewage. This makes BIO-CLEAN safe for people, plumbing and the environment. BIO-CLEAN changes the waste particles into water, carbon dioxide and mineral ash which run harmlessly out of your waste system. These elements are then available for plant life.

## **EFFECTIVE**

Within an hour after pouring the bacteria into the drain, the bacteria begin to eat their way into the waste that has accumulated on the sides and top of the drain pipe. This is their natural food. They digest the waste and spread throughout your system, cleaning it completely.

## **MULTIPURPOSE**

- Residential and commercial applications
- All drain and sewer pipes, including:

*Kitchen Sinks*

*Lavatories*

*Bath tubs*

*Showers*

*Floor drains*

*Laundry drains*

*Septic tanks and drain fields*

*Garbage disposal odors*

*Grease traps*

*Sewage ejector sumps*

*Outdoor outhouses and cesspools*

*R.V. & boat holding tanks*

*Lift Stations*

*Cat Litter Boxes*
